Relevant Coursework: Introduction to Speech Composition, Introduction to Digital Communication, Survey of Contemporary Media, Communication and Human Behavior, Introduction to Mass Communication, Introduction to Digital Forms

Relevant Experience

HKTV Studio Member | September 2018 to June 2019

- Learned how to work behind the scenes in a live TV studio, be onscreen talent, and edit video projects using Adobe Premiere Pro
- Took classes and completed an independent study
- Chosen to direct a portion of the Holiday Show Telethon that the TV studio produces each year which raised over \$15,000
- Attended the Student Television Network convention in Seattle with my school where we competed with other schools all over the country in various video projects

Other Experience

Friendly Fisherman, Eastham, MA

Counter Server and Market Counter | Summer 2019-20

- Handled many responsibilities in a fast-paced work environment, including customer service and food service
- Learned to use a new cashier system in order to work the cash register, an area of the job that I excelled at
- Recently promoted to also work in the fish market located next door to the restaurant where I served raw fish, handled live lobsters, and dealt with customers
